La Serie *Morbidity and Mortality Weekly Report* (MMWR) è pubblicata a cura dell' *Epidemiology Program Office*, Centers for Disease Control and Prevention (CDC), U. S. Department of Health and Human Services, Atlanta, GA 30333.

E' disponibile gratuitamente in formato elettronico oppure, a pagamento, su carta stampata. Per ricevere una copia elettronica tutti i venerdì, si può inviare una e-mail alistserv@listserv.cdc.gov. Nell'oggetto va specificato "SUBscribe mmwr-toc".

La pubblicazione in formato elettronico è disponibile anche sul server WWW dei CDC all'indirizzo <http://www.cdc.gov/mmwr/> o sul server FTP dei CDC <ftp://ftp.cdc.gov/pub/Publications/mmwr/>. Per abbonamenti su carta stampata e per richieste di pubblicazioni singole si prega di rivolgersi al seguente indirizzo: Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402; telefono (202) 512-1800.

I dati forniti nella pubblicazione settimanale della MMWR sono provvisori, basati su rapporti settimanali ricevuti dai CDC e dai dipartimenti di sanità dei singoli Stati. La settimana si chiude il venerdì all'orario di chiusura degli uffici; i dati compilati su base nazionale vengono divulgati al pubblico ufficialmente il venerdì successivo. Le domande relative alla serie MMWR, ivi compreso il materiale proposto per la pubblicazione, vanno indirizzate a: Editor, MMWR Series, Mailstop C-08, CDC, 1600 Clifton Rd., N.E., Atlanta, GA 30333; telefono (888) 232-3228. Tutto il materiale della serie MMWR è di pubblico dominio e può essere utilizzato e ristampato senza chiederne l'autorizzazione; è gradita tuttavia la citazione della fonte.
